BEAMS: Bioengineering at McMaster Society

-We represent students in “Electrical & Biomedical” as well as “Chemical & Bioengineering”.

-Our purpose is to organize events for social interaction as well as career-based events to inform students of the breadth of possibilities that exist in the bioengineering field.

-Some events coming up:
  -2nd year social- Thursday September 17th @ the Phoenix. Food will be served.
  --1st Annual “BEAMer”- Thursday September 24th. Tickets are $10 each and go on sale next week.
