

# Stochastic differential equation and random field theory applied to waves in random media<sup>i</sup>

---

Applications are invited for **two** NSERC funded graduate studentships (with the possibility of teaching assistantship and additional scholarship) at the Masters / PhD levels. A strong background in mathematics and physics and a grasp of engineering applications is essential.

Prospective applicants are advised to contact Dr. T. R. Field directly via email at [field@mcmaster.ca](mailto:field@mcmaster.ca) for further particulars.

---

<sup>i</sup> Discovery Award ranked 'Very Strong' in the category 'Excellence of Researcher'.
